

## A reminder of what Gals FC is... 🌍 ⚽️ 💕 🌱 ✨

Gals FC is the friendliest way to meet new people and play football. 💪 🌱 💕 🧑🏻 We don't care about being good at football but we do care A LOT about having a good time We believe the best way to get more women playing football is to forget the score and focus on fun.

We play to build community, not to compete. It's all about fun, friendship, confidence, and feeling a part of something bigger. We provide a welcoming space for women to play, connect, and build confidence.

## And who are our Vibe Protectors? 🧑🏻 ⚽️ 😊
